

Training Workshops

SNCL is a coaching organisation that provides 1:1 coaching, behaviour and skills training, facilitation and team development programmes.

All our services are bespoke; designed according to the needs and aspirations of our clients. Our training is highly interactive, challenging and fun. If you are looking for didactic training with heavy use of PowerPoint, we are not the organisation for you!

Building Cohesive and Highly Effective Teams

"It blew my mind. Really engaging and very powerful" *Charity*

Leading through Coaching

"Inspiring. I have learnt so much" *NHS England*

Powerful Presentations and Public Speaking

"Such a useful session. Lots of tips and new tools" *Housing Association*

Making Meetings Matter

"I feel so empowered. Things will be different when I go back to work!" *Value Retail*

Becoming a Great Chair

"What a great day. I feel so much more confident" *NHS Collaboration of CCGs*

Mastering Conflict

"Surprisingly, I really enjoyed the role play and I learnt so much" *NHS Provider*

The Skilled Interviewer

"Great course, pace and delivery. Lots of learning and lots to think about" *NHS Commissioner*

GP Practice Teams: Creating Excellent Experiences for All

"The best training course I have ever been on" *West London GP Practice*

Unconscious Bias: Give your Thoughts a Second Look

"I actually thought it would be a bit dull. It wasn't. I had fun and learnt loads" *Local Authority*

Time Management: Getting the Important Things Done Today

"So useful. I will be making some big changes....starting now!" *NHS Commissioner*
